Reaching your goals

Leek Federation Sixth Form

"The teachers go above and beyond to support their students. Their door was always open if I needed help or just a cup of tea. There were numerous after school revision sessions to aid students.

Leek High sixth form has been an amazing experience for me as I have always been encouraged to make the most of the opportunities presented to me, such as tutoring younger students, helping out with classes and voluntary work within the community. I was given all the support I needed, and more, to get where I wanted to be."

Completed A Levels 2018,
